Request from Yale Political Union  
for Briefing by DCI

1. Action Requested: None, for your information.

2. As you are aware, the Yale Political Union requested a meeting with Mr. Casey sometime during their 7-9 March spring symposium held in Washington, DC.

3. However, when I contacted them for a more exact date, they informed me that their schedule was full. They thanked the Agency for providing a briefing last spring and said they would request one next year allowing for adequate advance notification.
